MISSION STATEMENT:
"To develop and implement programs and ministries in soulwinning, church planting and church growth that will assist the local church to reach and reap the harvest of the 21st century."

MOUNTAINEERS ON MISSION

It doesn't seem real! We left here in 2000 with tears in our eyes. West Virginia became a huge part of the Jarvis family. We made so many friends and spent formative years for our girls. It was always a dream that maybe someday we could come back to *Wild and Wonderful* West Virginia. 22 years later it has become a reality. We have the privilege of working with some of the finest people on planet earth. Jan and I are honored to be able to work with you in the harvest fields of *Almost Heaven*. We look forward to reconnecting with many of our friends and meeting new ones.

It is so ironic that my last Youth Camp theme in 2000 was "*Mountaineers On A Mission*". Our General Assembly theme and general church theme for the next few years is "*The Church on Mission*". I hardly think it is a coincidence. I believe we have been allowed to come back to be a Church and Mountaineers on Mission!

The world has changed dramatically since that Youth Camp at Virgil Tate in 2000. But the message has not. We must Reach, Win and Disciple the lost of the Mountain State and beyond.

Thank God for what has been accomplished all over the state, but there is so much more to do. If you haven't already, would you consider partnering with us to support **Mountaineer Ministries**? Every dime you give will go to assist churches in need or crisis, to plant new churches and to help reap the harvest in West Virginia.

Anyone who knows me can tell you I love these mountains. More than the mountains, we love the people of this state. It's so good to be back. Remember, we love you and you are making a difference.

David W. Jarvis

Devastating Flood in Smithers

On August 13th an historic flood hit the town of Smithers. The Church and parsonage are totally destroyed. Pastor Joe and Donna Hubbard have served since 1999 and have lost most of their personal belongings. As you may have heard, they did not have flood insurance. We need a miracle for the Smithers church and the Hubbards.

Please consider receiving an offering for this wonderful church and pastor. You can send it to the State Office or give online on our website, wvcog.com.

Let us stand beside our family and help in this time of need. Thank you in advance for your assistance.
