## "WHY NOT HERE? WHY NOT NOW?"

**R**ecently, we have heard of the great things happening at Asbury University in Wilmore, Kentucky. Some students at Lee University said, "Why not here? Why not now?" and made their way to the Stone Chapel. They began to repent and cry out to God. Since that day they have been experiencing an outpouring of God's Spirit.

Many of you have been praying and crying out to God for revival but it seems to elude you. You may have experienced breakthroughs, but not break outs, Why?

At our recent Prayer Conference there was a word God dropped in us through every speaker. **Psalms 133** was a central theme.

***"Behold, how good and pleasant it is for brethren to dwell together in unity"***

As you know, the scripture says the oil began to flow down Aaron's face and his garments. When we have bitterness, jealousy or even hatred to other churches, pastors or people it will stop the oil from flowing.

God gave Bishop Mitch Corder a word for West Virginia in the Wednesday morning service. I encourage you to go to the West Virginia Church of God State Office FaceBook and scroll down to the Wednesday AM service to hear the word.

I believe if we obey the Word of the Lord, the oil will flow like never before in our state. It can happen here! It can happen now!

On the Day of Pentecost, a group of believers who before they got to the Upper Room had been at odds with each other. But after 10 days, Acts 2 tells us they were in one mind and in one accord. They were together, together. They were not only in one place, but they were in one purpose together. They were in unity.

The outpouring took place in the Upper Room and spread around the world. If we get "together together", we can see an outpouring all over the Mountain State.

## 2023 Women's Projects

### *New River Ranch Ministries Center/Youth Camp*

### *2023 Women's Project*

Partner with us to raise \$ 80,000 to update and renovate the bathrooms in the Gymnasium. Our students and workers for West Virginia Youth Camps and our people need nice, functioning restrooms available while they are attending our functions. Together, we can accomplish this goal.

We are told that there are some  
100,000 orphans in need in Ukraine.

While we cannot help all of them,  
**we must do our part.**

With your help, we will rebuild lives,  
reestablish families, and provide transportation,  
clothing and food that will sustain these  
children in their journey home.

Your gifts will be used to build and rebuild adequate  
facilities and housing that will provide safety, protection,  
education and Christian development for these children.

## *Announcing New Curriculum "I Sense Jesus"*

On February 16th the new pre-school curriculum for the Church of God officially launched! "I sense Jesus" is a powerful set of 20 lessons written by McKayla Jacobs, Girls Ministries Coordinator of the Midlands and edited by Michele Wright, Girls Ministries Coordinator of Michigan. Special thanks to Kim Haney and Amanda Arnett for all their work on this project. This is so exciting for West Virginia as Amanda Arnett is one of our own! We are so excited to offer this wonderful resource. This curriculum will help preschool-age children explore foundational Bible stories by utilizing the five senses.

Amanda is an Ordained Minister serving part-time with Lifeline Church as Child Care Administrator/Advisor with nineteen years experience. Amanda specializes in editing and developing curriculum for Children's Ministries and Child Care entities. She served Lifeline Church under her father, Dr. Ray E. Hurt, and brother, Rev. J. B. Hurt, in several positions during her tenure there. She attends the Clarksburg Church of God with her husband Rev. Brian Arnett, and family. They currently serve their church as Connect Group Coordinators, Christian Education Coordinators, and more. She collaborated with the COG for the Sealed Curriculum and the "I Sense Jesus" Curriculum by helping to create content lessons, activities and worksheets to coordinate with the lessons.

**"I really enjoyed the opportunity to work with outstanding Children's Ministry workers and educators to provide a curriculum that would be both beneficial and entertaining. I was thrilled to use my degree for the Church and for the Lord." – Amanda Arnett**

As always, I would love to hear about all the ways that you and your church are ministering to the young women of West Virginia! You can reach me through my email [Club@wvcog.com](mailto:Club@wvcog.com). I can't wait to see what God is going to do through Girls Ministries West Virginia!

## Adopt a Cabin

We are excited to announce an amazing opportunity for partnership with our beautiful campground! We are looking to make improvements to each of our cabins prior to our events and rentals this year. Each of our cabins need improvements and include some minor (door handles, lights replaced, blinds replaced) and some larger (power washing outside and sidewalks, downspouts replaced, floors painted). We are asking churches to partner with us to help make this happen. Your church can get involved in three primary ways!

(1) Your church can financially partner with us. The total cost for labor and repairs would fall somewhere between \$2,500-\$3,000 depending on which cabin it is, as the repairs vary slightly.

(2) Your church can bring a team to volunteer. This would eliminate the labor cost and dramatically decrease the total expense. You can adopt a specific cabin and do all or part of the repairs. You could also choose one project (blinds, power washing, painting floors) to complete for all cabins.

(3) Your church can do both.

Please prayerfully consider how your congregation might get involved! If you have any questions about how you can help with this project, please call me!

## YWEA23

*Haven of Hope Dream Center*

Part of the YWEA 2023 project Connexion is Haven of Hope Orphanage in Santa Cruz, Bolivia. At the Haven of Hope, a new dormitory in the memory of Rhonda Jarvis is currently under construction. Daily, our Bishop and First Lady receive reports and pictures of the progress that is being made! The new facility will include new beds and living quarters for children, along with new restrooms and showers for the girls and boys. The dormitory will also house a laundry facility. What a tremendous and exciting opportunity to bless children at risk and honor one who spent her entire life loving them!
