Come Home Camp Meeting

It is hard to believe in just a few weeks we will be gathering in Beckley for our Camp Meeting.

There is nothing like West Virginia Church of God Camp Meeting! For months when I would pray about Camp Meeting, I would feel the Lord impressing me with the words, "come home". That is the theme for our 2023 Camp Meeting. We are praying that the prodigals who attended our churches and camps but have strayed away would come home to the Father's house. We are believing for a celebration as we see sons and daughters come back to Jesus.

Many who had a calling on their life but got caught up in this world are coming home! Preachers, pastors and people who started out in our churches but for various reasons have left, we want them to know they can come home. The Church of God in West Virginia is their DNA and tribe. We want them to be reconnected with their family. We can do greater things together than we can apart.

I commit to you that I have prayed about every speaker and believe they have a word for you. We will not have a lot of preliminaries, we will have church. We will have all styles of music, both new and old. The mornings will be tools to help you reach your community.

Have you ever had a family event and part of the family doesn't show up? It is discouraging to see they did not come home regardless of the reason. We are family! We need each other. It is important for you to be part of our family reunion.

Consider this a personal invitation from me to "Come Home". I need you, the Church of God in West Virginia needs you. By the way, after service Wednesday evening we are having a Family Block Party with food trucks, music and games. Come on to Beckley and Come Home.

Jan's Notes

There is nothing like getting together with the women of God to worship and fellowship. I am so very thankful for the fantastic participation at the Launch Women's Conference last month! It was incredible! Eric & Brittney Bias and the worship team ushered us into the mighty presence of the Lord. Amy McGlamery delivered powerful anointed messages, not sermons. The prayer session was very impactful and I believe touched Heaven. My daughter, Jessica Lawson, stepped up to the plate when I couldn't and hit a home run delivering the challenge to find your bow or your arrow and raise them up to launch an attack on the enemy and take back what the enemy has tried to steal.

I am already receiving reports of women and churches activating their arrows in ministry. I am believing for even greater things to come.

Make plans NOW to be a part of the Come Home Camp Meeting Women's Brunch and Service on Wednesday morning, June 7th at 9:30 AM. This is a little different than you have been having, but I believe you will enjoy. Register today online at wvcog.com or call Tammy at the office for more information.

West Virginia GIRLS MINISTRIES

GIRLS MINISTRIES SPOTLIGHT

This month I would like to shine the spotlight on the Growing In Grace Teen Girls Bible Study hosted at the Midstate Church of God. This group was birthed two years ago from a burden that Kylee Criner felt for her community. She desired to have a place to connect with other Christian girls. There are many small churches in the area that had teen girls with the same need. The church leaders saw this need and took action.

After much prayer, God placed a young woman on their hearts to be the leader and facilitator of this group. Katlyn Shreve is known as “an amazing example of a Godly woman.”

“God just placed all of the pieces together for this group as she had been praying for God to use her in a capacity such as this.” – Amanda Criner

For the past two years, girls from surrounding churches and from within the community have been attending this Bible Study on Tuesday nights.

“Although there are several different churches represented, these girls have formed an amazing bond and a community where they are growing in their relationship with the Lord. We have heard reports from parents of what a difference it has made in their lives and the time they are spending studying the Word, not only on Tuesdays, but daily in their homes.”

– Amanda Criner

What started as a burden in the heart of a teen, is now an amazing asset for building the Kingdom of God!

But grow in the grace and knowledge of our Lord and Savior Jesus Christ. To Him be glory both now and forever! Amen 2 Peter 3:18

As always, I would love to hear about all the ways that you and your church are ministering to the young women of West Virginia! You can reach me through my email Club@wvcog.com. I can't wait to see what God is going to do through Girls Ministries West Virginia!

Surrounding the central text are four circular images: a milkshake, a cup of shaved ice, a purple food truck, and a family of four. Two starburst shapes contain the words "INFLATABLES" and "FOOD TRUCKS". At the top, a starburst says "FAMILY FUN FOR ALL AGES". The background is a colorful geometric pattern.

ELIJAH MOVEMENT

The Purpose

The purpose of this ministry is to raise up the next generation. We hope to mobilize the Jeremiah Generation through mentoring, implementing ministry opportunities, and equipping them for ministry in the local church. Our goal is that Elijah Movement establishes a foundation for current and future ministerial development.

The Mission

We want the next generation to not only encounter God but activate the call of God upon their lives through mentoring, discipleship, tools, and resources. This mission is based on the relationship of Elisha and Elijah found in 1 Kings 19:21 . . . “Then he arose and went after Elijah and assisted him.”

What We Do

Each year we hope to help students from all over West Virginia advance the kingdom of God by providing multiple opportunities for ministry at state events, youth rallies, and more. Through experience, the students will gain confidence in God’s ability to use them. Students will receive technical training in their area of gifting as well as intensive discipleship designed to help them grow in spiritual maturity.

What We Emphasize

We will embrace “serving” the kingdom of God. We desire to see the Jeremiah Generation to be an asset to the local church, and gain understanding that God has specifically anointed them to reach others! Each student or young adult must go through the application process that includes recommendation from the youth pastor/pastor, and an interview. A selection committee considers the individual’s qualifications and extends an invitation to be a member. Everyone is then responsible for raising his or her own funds as with any ministry trip.

YWEA23

Rhonda Jarvis loved children. Her love for Orphans and abandoned children was her passion in life! She made a difference in the lives of countless children at Smoky Mountain Children's Home and beyond. YWEA, for over 60 years, has shared the same passion. Spreading love and hope through missionary projects around the globe. West Virginia Churches of God have a unique opportunity to partner with both YWEA and honor the life of Rhonda.

Part of the YWEA 2023 project Connexion is Haven of Hope Orphanage in Santa Cruz, Bolivia. At the Haven of Hope, a new dormitory in the memory of Rhonda Jarvis is currently under construction. Daily, our Bishop and First Lady receive reports and pictures of the progress that is being made! The new facility will include new beds and living quarters for children, along with new restrooms and showers for the girls and boys. The dormitory will also house a laundry facility. What a tremendous and exciting opportunity to bless children at risk and honor one who spent her entire life loving them!
