## *The Last, The Least, The Lost*

**W**est Virginia has always been a leader in World Missions. From the Mountain State we have sent missionaries and millions of dollars around the world. Because of our heart for missions, God has blessed us beyond our imagination.

If we want to go to another level, we need to take our giving to World Missions to another level. It is proven over and over, when you bless those who will never be able to bless you in return, God will open up the windows of Heaven and pour out His blessings upon you and your church that will amaze you.

I am asking every church to make May our Missions month. During May, I am asking each church and our folks to give an offering for missions. One of those projects from the 365 Challenge is to bring clear water to villages and communities around the world. Every day 6,000 children die of diseases because they do not have clean water.

Our missionaries tell us that where they put a well or water filtration system on our church properties, it opens doors for the Gospel. Even in Muslim communities! Each place we give the people clean water, they open up to receive Christ when in the past they never have by just preaching.

We have other projects such as the Rhonda Jarvis Dream Center in Bolivia. This project is an orphanage that rescues children and provides for their physical and spiritual needs and gives them hope for a future. There are many other projects as well. Choose a missions project and help us reach the last, the least, and the lost.

I encourage you to bring your offering to Camp Meeting on Sunday evening. You can also mail it to the State Office or include in your monthly report for May. Let's do the best we can and watch God do His best for us. I believe West Virginia will help reach **The Last, The Least and The Lost!**

## Girls Day Out

Girls Day Out is right around the corner! Mark your calendars and get those registrations in for May 4th! The West Virginia Girls Ministries Board has so many wonderful things planned for this event. With fabulous foods, horse riding, archery and so much more, this will be a time to remember!

Girls Day Out is geared towards all young ladies, Kindergarten through 12th grade. If your church does not have an active Girls Club Ministry, no worries. This event is for ALL girls within your church.

The theme for this year is "Glamping: Let your light shine." Our goal is to encourage each young lady in the Lord to know that they were created with purpose. We are working diligently to make this an enjoyable time for all ages by providing activities and sessions catered to the varying age groups.

### Speaker Spotlight

Our teen speaker is Rebekah Newsome of Convergent Youth Ministries! Rebekah is a pastor's kid and has been involved in many ministries. She currently serves in children's and youth ministry and leads a girls small group at her church. She serves as a lifeguard for WVCOG youth camps and interns at the New River Ranch in the summer.

Rebekah is a senior at Woodrow Wilson High School and plans to attend Concord University in the fall to pursue a degree in Elementary education.

## THE MISSION

Oceania is comprised of fourteen countries and is located throughout the Central and South Pacific Ocean. This geographical area is a vast and diverse region surrounded by the world's largest body of water. While this vast region of the world is known for its beauty, natural resources, and the large body of water that divides it, there are substantial needs in the areas of Australia, Fiji, and New Zealand. Through YWEA 2024, Church of God Youth and Discipleship, in partnership with Church of God World Missions, has developed a plan to provide this region with eternal Living Water that will have a multi-generational impact to reach the Last, the Least, and the Lost.
