"Can They See Jesus?"

Luke 19 tells us that Zaccheus was trying to see Jesus but couldn't. Do you know why? People were getting in the way. We have all seen people who make everything about them instead of Him. We have seen worship leaders, preachers and others who like the spotlight on themselves. The spotlight should not be on us but upon Jesus.

I wonder if they can see Jesus? I know often times they can see other things instead:

PERSONALITIES

Some say, "That's just me! That's just the way I am." Our goal should be, to be like Jesus. We must quit giving excuses that we cannot change the way we are. Our personalities can cause other people to not see Jesus.

Zaccheus could not see Jesus because of the people. We can get in the way by the way we conduct ourselves at work, home or places of business or even at church! Our personality should never get in the way of others seeing Jesus.

PREFERENCES

Many times they see our preferences of styles, music and even politics. But can they see Jesus? It is not about our preferred styles, it should be about sharing Jesus.

PASSIONS

I hope that when people see us they can see our passion for following Jesus. We must show His love and reach the lost. We must never compromise the message, but our mantra should be to show Jesus and His love to our family, church and community. Never let our personality or preference get in the way of other people seeing Jesus. Our passion should always be to point people to Him!

Remember you are loved!

GIRLS DAY OUT 2024

"Let Your Light Shine" was the theme for our Girls Day Out 2024. It was a rainy day but that didn't spoil our fun! We started the day with music, fun, and games. We all then moved into worship and the girls went to two separate services for church. The teens enjoyed acoustic worship and devotion at the Barn/Café. Girls aged 5 -11 stayed in the gymnasium for their very own worship service.

We all enjoyed a mountain of activities from horseback riding and Nerf Wars, to rock painting and bracelet making. An extra special touch was the necklace making station. This activity involved the girls using hammers to emboss letters onto metal. The goal was to make a necklace with the Girls Day out theme and scripture on it.

I want to express my thanks and gratitude to all who had a hand in the preparation and success of Girls Day. So much hard work and dedication went into the planning and development of this grand event. A special thank you to the WV Girls Ministry Board. Thank you for catching the vision, covering it in prayer, decorating, organizing, and for all of your hard work!

Lives were touched, girls left feeling loved and leaders left with a renewed passion for ministries toward the daughters of West Virginia. I am overwhelmed by the goodness of God. We had well over 100 in attendance! All the fun that Girls Day brings is wonderful, but nothing can surpass the awesome work that God has done at Girls Day on May 4th 2024!

As always, I would love to hear about all the ways that you and your church are ministering to the young women of West Virginia! You can reach me through my email at Club@wvcog.com. I can't wait to see what God is going to do through Girls Ministries in West Virginia!

CALLING AND MINISTRY STUDIES

Calling and Ministry Studies (CAMS) is a process that help the applicants determine if they are called to clergy ministry, as well as providing knowledge about ministry.

There are two sections in CAMS - seminars and individual study. The five seminars provide tools so that the applicants can identify if they are called to clergy ministry. The seminars also offer an explanation of ministry.

The individual study for applicants included three activities:

1. Conducting personal devotions about calling and ministry.
2. Completing five training courses.
3. Writing papers about their calling and understanding of ministry.

If you are interest in enrolling in CAMS, talk with your pastor. Your pastor will contact the State Office for the application.

MINISTERIAL INTERNSHIP PROGRAM

The purpose of the Ministerial Internship Program (MIP) is to provide ministerial preparation by practical training on the local church level, academic self-study, and monthly training seminars, focusing on vital topics for spiritual leadership and effectiveness.

MIP is required to advance from Exhorter rank to the status of Ordained Minister.

MIP is comprised of three parts:

- ❖ Studies on the Bible, doctrine and leadership
- ❖ A supervised practicum with a pastor
- ❖ Nine monthly seminars

The assignments of MIP candidates to supervising pastor are made based on the personal training needs, geographical factors and availability. The seminars complement and add to the experience of the supervised practicum.

To apply for the Ministerial Internship Program, contact Sarita at the State Office 304.252.0622 or email sarita@wvcog.com.

NOTE: Application MUST BE received in the State Office by June 30, 2024.
